- Shaker Design—Veneer Flat Panel
- White Thermo Foil
- Veneer Raised Panel
- Veneer Flat Panel
- Melamine Slab

The drawings shown below illustrate the relationship between the cabinet face frame and Standard Overlay (SOL) and Full Overlay (FOL) doors. They show the amount of the cabinet face frame that is visible when Standard Overlay doors or Full Overlay doors are used.

STANDARD OVERLAY

Standard Overlay (SOL) doors and drawers give a cabinet a framed appearance.

FULL OVERLAY

Full Overlay (FOL) doors and drawers give the cabinet a frameless appearance since less of the face frame is visible.
